

Guidelines for the preparation of poster for NANO-2010:

- **The space allotted for each poster is 2 ft. length X 3ft. Height**
- **The paper should contain Title, authors name , author affiliation, abstract, Introduction, Experimental, Results and Discussion, acknowledgment and references**
- **The font size should be legible**
- **The poster may be printed either in Multicolour or Black and White**
- **All the delegates are requested to bring their printed poster and paste in their respective allotted space, time and date during the conference period**

In order to avail the free accommodation in our student's hostel, the student delegates are requested to pay their registration fee on or before Nov 30, 2010. Kindly note that the accommodation will be provided on first come first serve basis.
